PROFILE

Pursing my Bachelor's Degree in BTech Data Science 2nd year studying in Usha Mittal Institute of Technology, Santacruz. My interests are to educate myself in Web Development, Data Science, Machine learning and deepen my knowledge, work on various projects to get theoretical knowledge and to gain hands-on experience. Enhance my programming skills.
I have developed few soft skills like communication, problem-solving and critical thinking. I have a natural curiosity and eagerness to explore and understand new things. I have the ability to get along with people I meet through my journey.
